BILL IS DEAD.

Elke's Goat, Gift of Ansonia Lodge, Will
 Butt No More.

"Bill," the pride of all the Elkes of
 the state, and the special care of the
 Willimantic lodge since its installa-
 tion on March 30th last, is no more.
 Bill has always been the guest of the
 baby lodge in the state and was pre-
 sented the Willimantic lodge by An-
 sonia Elkes, at the time of the last
 celebration. Since that time he has
 been kept on the farm of Charles M.
 Holbrook, and later on the town farm,
 where the best of care was taken of
 him, but old age brought about his
 death, although every effort was made
 to prolong his life. A suitable rest-
 ing place was found for him, and his
 obsequies were arranged under the
 care of Exalted Ruler Daniel P. Dunn
 and other officials of the local lodge.

WANTED TO SLEEP.

So Patrick Donahue Took Four Doses
 and Became Unconscious.

Patrick Donahue, who said that he
 went into two drug stores Sunday
 morning to get something to make
 him sleep, and took in all four doses,
 pleaded not guilty to the charge of
 intoxication in the police court Monday
 morning. He said he had been drink-
 ing for a couple of days, and was ner-
 vous, hence the doses of medicine.
 After the four he lost consciousness.
 Sentence was suspended.

Bert Hoffman's Sins of the Tongue.
 Bert Hoffman was fined \$5 and costs
 and placed on probation for three
 months, on the charge of breach of
 the peace. He was arrested on com-
 plaint of his wife, who testified that
 he swore at her and used vile lan-
 guage. Hoffman said he was simply
 fooling and did not do anything
 wrong.

 many friends wish him success in his
 new endeavor.

 number of months, so that her death
 was not unexpected. She was a na-

Summer Hints to Mothers Who 'Care'

Seasonable Advice on the Health of Children in Hot Weather

It is well that mothers be advised
 not to over-feed the children during
 the hot months. No one requires as
 much food in summer as in winter.
 Feed the children the lighter and
 more easily digested foods. See that
 the milk is cool and kept away from
 flies. Be careful that the fruit is ripe,
 and if the child begins to scratch the
 skin, indicating too much acid in the
 blood, deprive it of fruit for several
 days.

It is quite natural that under these
 conditions there will be some diges-
 tive disturbance, such as constipation,
 indigestion or summer diarrhoea. It
 may be accompanied by a cold or by
 eruptions of the skin. The timely
 remedy, and one which you can rely
 on for results is a small dose of Dr.
 Caldwell's Syrup Pepsin on retiring,
 and by morning the bowels will move
 and the trouble will vanish. The ex-
 ceptional tonic ingredients in this
 remedy will tone the stomach and en-
 rich the blood, and the child will feel
 its usual self again.

Many families like that of Mr. Wil-
 liam Weber, 29 Edwin Place, Buffalo,
 N. Y., who uses it for foul breath
 and constipation, and Mrs. John Wal-
 lace, Scottsville, Ky., who finds it val-
 uable to herself as well as her chil-
 dren, are never without it, keeping it
 for just such emergencies. You also
 can obtain a bottle of Dr. Caldwell's
 Syrup Pepsin at fifty cents for one dol-
 lar of any druggist. Families which
 need use this pleasant-tasting laxa-
 tive forever after dispense cathartics,
 purgatives, salts and pills.

Families wishing to try a free sam-
 ple bottle can obtain it, postpaid, by
 addressing Dr. W. B. Caldwell, 413
 Washington St., Monticello Ill.

 meeting.

Bills were presented for repairs to
 sidewalks amounting to \$112.32 by M.
 E. Lincoln, his communication stating
 that the sidewalks needed repairing
 and the work was done by him. A
 report by the corporation counsel to
 the effect that in his opinion the city
 was under no liability for the repairs,
 was read. No action was taken on
 the five bills.

Precautions Against Smallpox.
 On invitation of the council, Dr. W.
 P. Keating, city health officer, stated
 the facts as to the case of smallpox
 in the city, saying that all proper
 precautions had been taken. On
 account of the work and loss en-
 tailed a resolution was passed giving
 Dr. Keating extra compensation in lieu
 of his regular salary, at the rate
 of \$50 per week commencing July 9th,
 until the work ceases.

Mayor Dunn for Isolation.
 Mayor Dunn at this point spoke
 briefly in favor of an isolation ward or
 building in the city, to take care of
 such cases when they developed. The
 mayor and sanitary committee were
 authorized to confer with the select-
 men in regard to this matter and re-
 port back to the meeting.

The purchasing committee was au-
 thorized to advertise for bids for 75
 tons of coal for the use of the various
 departments of the city.

The street committee was empow-
 ered to fix as they saw best the en-
 trance to Murphy Bros. drive on
 Church street, the approach being so
 steep that horses find trouble in ne-
 gotiating it.

The meeting adjourned after the
 reading of the bills, at 10:25.

Transportation of Business Men.
 The committee of the Board of
 Trade and Business Men's association
 looking into the question of transpor-
 tation facilities to be furnished to the
 visitors to the annual outing of the East-
